

Lesson 5.4 Counting and Writing 700 through 999

9 hundreds 3 tens 5 ones = 935
 Expanded Form: $900 + 30 + 5 = 935$

Write the number and its expanded form.

722

$$\underline{700} + \underline{20} + \underline{2} = \underline{722}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$
