

Name: _____ Date: _____

Instructions

Fill in the missing products in the multiplication table.

Example

Problem: What is the product in column 3, row 2? To find this product:

×	1	2	3
1	1	2	3
2	2	4	?

Since we are in column 3, and row 2, we multiply them to find the answer: $2 \times 3 = 6$. Answer:

6

×	1	2	3	4	5	6	7	8	9	10
