

Lesson 5.1 Counting and Writing 150 through 199

$$1 \text{ hundred} + 5 \text{ tens} + 3 \text{ ones} = 153$$

$$\text{Expanded Form: } 100 + 50 + 3 = 153$$

Write the number and its expanded form.

165

$$\underline{100} + \underline{60} + \underline{5} = \underline{165}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$
